

Why is the Census

The federal government uses the data in a number of ways:

- Grants to school districts
- Head Start programs
- Women, Infants, & Children (WIC) program
- Road rehabilitation & construction
- Emergency food and shelter
- Programs for the elderly
- Public transportation
- Helps determine where jobs and job programs are needed
- Helps potential homeowners and businesses evaluate the community.

IMPORTANT?

Washington County

is in **YOUR HANDS!**
